BYFLEET CRICKET CLUB JUNIOR SECTION 2021

Following the huge disruption to the 2020 season caused by Covid19 we have taken the opportunity to restructure and rebrand our Junior Section for 2021. The death last year of Byfleet, Surrey and England star Robin Jackman prompted us to recall the contribution he and his parents made back in the 1960s to the considerable success of the Byfleet Falcons, the so named junior section of the club at that time. We will resurrect the name as we look to rebuild.

For the 2021 season we will be offering training and competitive matches for boys and girls in the U8 to U12 age range, the age being calculated as of 1st September 2020. All training will be supervised by our own ECB qualified and DBS cleared coaches and will take place on Wednesday evenings from 6.15pm till 7.45pm, starting in late April, if Covid restrictions allow, and running through till late July. Matches, in the Surrey Junior Cricket Championship, take place at home and away, usually on Sunday mornings.

For coaching sessions suitable footwear is recommended, and included in the annual subscription will be a Falcons branded training top. For matches we prefer colts to wear traditional cricket clothing. A full range of personalised club branded clothing is available from the club's online shop which can be reached through the link on our website. In order to support and recognise the contribution of our sponsors Club branded clothing is desirable, but not compulsory.

On Wednesday evenings it is essential that parents/guardians ensure their child registers their attendance before joining their training group. Thereafter parents/guardians can safely leave their child in our care for the duration of the training session or they are welcome to stay to either observe the session and/or make use of our bar which will be open (Covid restrictions allowing).

Matches in the U9 group are played with a soft ball so protective wear is not necessary. For the U12 group, played with a hard ball, the club has a full range of protective equipment available and for both groups we have an assortment of bats.

Details of our fees structure can be found further below.

ALL STARS CRICKET

For children new to cricket in the 5 – 8 age range we participate in the ECB All Stars programme. These sessions also take place on Wednesdays, from 5.30pm to 6.15pm. This is an eight week course beginning in mid-May and running until mid-July. Registration and subscription to the course is done not directly with the Cricket Club but through the All Stars website where further information on the course content can also be found. See below for more details.

JUNIOR FEES FOR 2021

ALL STARS

Subscription to All Stars is £45.00 and is paid through the All Stars website, our direct club weblink is below:

<https://ecb.clubspark.uk/AllStars/BookCourse/25d8b983-57dc-4a82-a29d-35a4e110bb8b>

The subscription includes a personalised All Stars T-shirt and an All Stars kit bag containing a bat, ball and cap.

BYFLEET FALCONS

Membership is £75.00, and for siblings £50.00. This includes all training and match fees plus a Falcons training shirt. Also included is social membership for parents/guardians.

Payment can be made by cash, online bank transfer or by the credit/debit card facility in our bar. In cases of hardship monthly payment plans can be discussed and agreed with our administrators.
